

THE MANAROLA FOUNDATION – MEDIA FACT SHEET

The Manarola Foundation ONLUS is a **no-profit organization** and it pursues social goals regarding the preservation, protection and enhancement of the natural territory.

The Foundation was formed **on March 15th, 2014** with the principal purposes of the hydrogeological security and the restoration of the territory and its maintenance. When the Foundation Manarola was formed, it received a start-up capital divided in money and fields.

The Manarola Foundation, after signing rental contracts with the fields' owners in order to have the right to intervene, **recovers the abandoned terraces and rebuilds the dry-stone walls collapsed** and then it sublets the restored fields to the Agriculture Companies, using the unification process, useful in term of production increase.

The intervention area is located above the Manarola center and it consists in **9.76 hectares**.
